[GOOD NEWS FOR POOR SLEEPERS] Weighted blanket offers a natural way to help calm your body for a restful night of sleep, great calming sensory weighted blanket for adults and children to help decompress and provide comfort. Perfect for those who are under deep pressure that needs a relaxing and deep sleep.

[SAFE BREATHABLE HEAVY BLANKET] Heavy blanket makes high-density sewing technology, prevent the loose of the thread and leakage of the beads. Unique design will firmly keep the beads inside for the best breathability and keep you at the perfect temperature, perfectly adapted to year-round safe use.

[EVEN WEIGHT DISTRIBUTION] Cooling weighted blanket features small compartments with precision stitching to prevent the beads from transferring from shifting from one compartment to another, making the blanket distribute the weight evenly and allow the blanket to conform to your body.

[HOW TO MAINTAIN] Any heavy blanket may damage your washing machine, but the duvet cover is machine washable and very easy to clean and dry. We recommend that you hand wash and hang dry as the best way for cleaning. Any questions, please contact us.
[PERSONALIZED CUSTOMIZATION] Please reach out to us with any questions or custom requirements for all products.

FAQ

Q1: Where is our factory? Is it possble to visit your factory?
Our factory is located in Guangzhou City, and our foreign sales office is in Foshan City (where is about 1 hour driving from office to factory). All clients from all over the world are highly welcome to visit us.

Q2: Can you provide ODM service?
Yes of course. We can provide both ODM and OEM service.

Q3: How to control the products quality?

We have got Quality Management System Certification ISO9001:2015 standard. Our factory has strictly QC for each procedure. Everyday our Quality Control Supervisor would check and keep all the QC records. Even the goods are finished, our sales team would do the final inspection on the goods before loading and delivery. We will destroy or recycle the defective products.

Q4: Can you make samples for free?
We can provide samples of any size at any time. Because now these products are on production everyday.

Q5: What's the MOQ?
MOQ is one piece. One piece is ready to ship.
