[Surface Fabric] Vitality Mint Lyocell fiber is made of natural wood pulp extracted from trees. The fabric woven with mint micro-molecule ingredients feels cooler and silky light and breathable. It is honoured as the “breathing fabric” in the new century.

[Design Concept] Fresh solid color matched Hermes Style edging , simplicity and light luxury, elegant and flowing line, fancy and charming, can't stop loving it. Minimalist design, abandon clutter, pursue original intention, find a peace, edge decoration concise reflect original taste.

[ALL SEASONS] In spring or summer, the quilts can not only keep warm, but also light and stress-free, bringing you elegant warmth. In fall or winter, you can use it with bedding. Depending on the season, it can be used as comforter, bedspread or coverlets.

[PERFECT GIFT] As a great gift for your family or friends on special occasions, birthday or Christmas. Everyone deserves the most elegant and comfortable quilt sets, provide you with a comfortable sleeping experience.

[EASY TO CARE, USE & SUPER DURABLE]

1. It is machine washable. It is recommended to use the gentle mode when machine washing. The dark and light colors are separated, and they are washed separately from other fabrics;
2. The washing temperature should not exceed 30°C, it is recommended to use neutral detergent to avoid prolonged soaking;
3. Do not scrub or scrub with force, and avoid friction with sharp objects during use;
4. Do not strongly dehydrate and spin dry, hang to dry, spread flat when drying, which can appropriately reduce wrinkles, and can also be ironed at low temperature with an iron;
5. Do not expose to the sun, keep it clean and tidy during storage, and avoid direct sunlight.

Company Information

GUANGZHOU TAIDA FIBER PRODUCTS CO., LTD was established in 2006, located in Nansha Free Trade Zone, Guangzhou. We are a modern textile enterprise integrating design, production and sales, engaging in business and research of fibers, non-woven products, home textiles and textile raw materials. After years of development, TAIDA become a group company now has subsidiaries:

GUANGZHOU TAIDA FIBER PRODUCTS CO., LTD

GUANGZHOU ULTRALOFT TECHNOLOGY CO., LTD

FOSHAN TAIXIANGJIA CO., LTD.

FOSHAN GUIDE TEXTILE CO., LTD.

Our factory covers an area of more than 50,000 square meters, has more than 300 employees ,and the most advanced production technologies and equipment, with an annual output of more than 200 million yuan. We own 4 sets of high-speed fiber wadding production equipment, 1 set of needle punch wadding production line, which can produce various types of fiber wadding, with a daily capacity of 200 tons. Meanwhile, company has introduced 20 sets of computer-controlled quilting machines ,and 30 sets single-needle quilting machines, 100 sets of sewing machines for quilts cover and pillow case, with a daily capacity of more than 5,000 quilts and 10,000 pillows.

We are always taking "improve people's sleep quality and create a better life" as our mission. After many years experience accumulation, TAIDA has a complete and scientific quality management system, wide product range, excellent cost performance, and independent R&D.

In recent years, the company has been honored as NATIONAL HIGH-TECH ENTERPRISE and got the authorization of Dupont™ Sorona® . We have a number of unique product patents, and continuously research and develop various products. On the road in the future, we are moving on researching and developing new materials, new functional products and new technologies. We are striving for people's pursuit of various functional home textiles and the company goal of becoming the strongest Chinese home textile enterprise.

FAQ

Q1: Where is our factory? Is it possible to visit your factory?

Our factory is located in Guangzhou City, and our foreign sales office is in Foshan City (where is about 1 hour driving from office to factory). All clients from all over the world are highly welcome to visit us.

Q2: Can you provide ODM service?

Yes of course. We can provide both ODM and OEM service.

Q3: How to control the products quality?

We have got Quality Management System Certification ISO9001:2015 standard. Our factory has strictly QC for each procedure. Everyday our Quality Control Supervisor would check and keep all the QC records. Even the goods are finished, our sales team would do the final inspection on the goods before loading and delivery. We will destroy or recycle the defective products.

Q4: Can you make samples for free?

We can provide samples of any size at any time. Because now these products are on production everyday.

Q5: What's the MOQ?

MOQ is one piece. One piece is ready to ship.
