[FABRIC TYPE] Tencel Lyocell: Premium Range Product Tencel is extremely lightweight & comfortable in all temperatures, keeps you cool in the Summer and warm in the Winter.

[STYLE] This quilt retains a certain nomadic style of clothing, characterized by bright hand-made decorations and delicate fabrics, the bohemian style represents romanticization, folklore, liberalization, but also an artist temperament, a kind of Fashion trends, an anti-traditional way of life. Covering it will also make people feel happy, warm and beautiful.

[DESIGN & DURABILITY] Lyocell fiber is very strong and wrinkle resistant. The quilted stitching helps prevent fill from shifting for an even layer of thickness throughout.

[COOLING TOUCH] Cold to the touch fabric features high specific heat capacity which will keep you cool through the night. With the cooling feel of the tencel quilt, you will fall asleep faster and stay asleep longer.

[100% SATISFACTORY SERVICE] Made in OEKO-TEX Standard 100 factory, an independent certification system that ensures textiles meet high safety and environmental standards.. If you have any questions, feel free to contact us. We will do our best to solve it for you.

[PERSONALIZED CUSTOMIZATION] Please reach out to us with any questions or custom requirements for all products.

FAQ

Q1: Where is our factory? Is it possible to visit your factory?

Our factory is located in Guangzhou City, and our foreign sales office is in Foshan City (where is about 1 hour driving from office to factory). All clients from all over the world are highly welcome to visit us.

Q2: Can you provide ODM service?

Yes of course. We can provide both ODM and OEM service.

Q3: How to control the products quality?

We have got Quality Management System Certification ISO9001:2015 standard. Our factory has strictly QC for each procedure. Everyday our Quality Control Supervisor would check and keep all the QC records. Even the goods are finished, our sales team would do the final inspection on the goods before loading and delivery. We will destroy or recycle the defective products.

Q4: Can you make samples for free?

We can provide samples of any size at any time. Because now these products are on production everyday.

Q5: What's the MOQ?

MOQ is one piece. One piece is ready to ship.
