FAQ

Q1: Where is our factory located? Can I visit your factory?

Our factory is located in Guangzhou City, and our foreign sales office is in Foshan City (about 1 hour's drive from the office to the factory). All customers from all over the world are very welcome to visit us.

Q2: Can you provide ODM service?

Yes, of course. We can provide ODM and OEM service.

Q3: How to control product quality?

We have obtained quality management system certification ISO9001:2015 standard. Our factory has strict quality control for each procedure. Every day our quality control supervisor checks and keeps all quality control records. Even if the goods are finished, our sales team will do a final inspection on the goods before loading and dispatching. We will destroy or recycle defective products.

Q4: Can you make samples for free?

We can provide samples in any size at any time. Because these products are being produced every day now.

Q5: What is the MOQ?

The MOQ is one piece. One piece is ready to ship.
