Company Information

GUANGZHOU TAIDA FIBER PRODUCTS CO., LTD was established in 2006, located in Nansha Free Trade Zone, Guangzhou. We are a modern textile enterprise integrating design, production and sales, engaging in business and research of fibers, non-woven products, home textiles and textile raw materials. After years of development, TAIDA become a group company now has subsidiaries:

GUANGZHOU TAIDA FIBER PRODUCTS CO., LTD

GUANGZHOU ULTRALOFT TECHNOLOGY CO., LTD

FOSHAN TAIXIANGJIA CO., LTD.

FOSHAN GUIDE TEXTILE CO., LTD.

Our factory covers an area of more than 50,000 square meters, has more than 300 employees ,and the most advanced production technologies and equipment, with an annual output of more than 200 million yuan. We own 4 sets of high-speed fiber wadding production equipment, 1 set of needle punch wadding production line, which can produce various types of fiber wadding, with a daily capacity of 200 tons. Meanwhile, company has introduced 20 sets of computer-controlled quilting machines ,and 30 sets single-needle quilting machines, 100 sets of sewing machines for quilts cover and pillow case, with a daily capacity of more than 5,000 quilts and 10,000 pillows.

We are always taking "improve people's sleep quality and create a better life" as our mission. After many years experience accumulation, TAIDA has a complete and scientific quality management system, wide product range, excellent cost performance, and independent R&D.

In recent years, the company has been honored as NATIONAL HIGH-TECH ENTERPRISE and got the authorization of DupontTM Sorona[®] . We have a number of unique product patents, and continuously research and develop various products. On the road in the future, we are moving on researching and developing new materials, new functional products and new technologies. We are striving for people's pursuit of various functional home textiles and the company goal of becoming the strongest Chinese home textile enterprise.

FAQ

Q1: Where is our factory? Is it possible to visit your factory?

Our factory is located in Guangzhou City, and our foreign sales office is in Foshan City (where is about 1 hour driving from office to factory). All clients from all over the world are highly welcome to visit us.

Q2: Can you provide ODM service?

Yes of course. We can provide both ODM and OEM service.

Q3: How to control the products quality?

We have got Quality Management System Certification ISO9001:2015 standard. Our factory has strictly QC for each procedure. Everyday our Quality Control Supervisor would check and keep all the QC records. Even the goods are finished, our sales team would do the final inspection on the goods before loading and delivery. We will destroy or recycle the defective products.

Q4: Can you make samples for free?

We can provide samples of any size at any time. Because now these products are on production everyday.

Q5: What's the MOQ?

MOQ is one piece. One piece is ready to ship.
